LITTLE BUBBLE

Child Care, LLC Newsletter

Curriculum

Themes: All About Me, Manners/Kindness, Apples, and Fall

Important Reminders

Rolling Acres Field Trip is September 21st, those not attending are to stay home until we arrive at the program.

We are closed Monday, September 7th in observance of Labor Day.

The following dates we will close at 1:00 pm:

Thursday, September 3rd.

Thursday, September 24th

We are **not** closing early Friday, September 25th for fair week.

New Friends

We have two new friends that joined us at the end of August. Please take some time to say welcome to JM and EP!

One of our families are welcomed a baby boy this month! Congratulations family!!! We can't wait to meet your littlest! <3

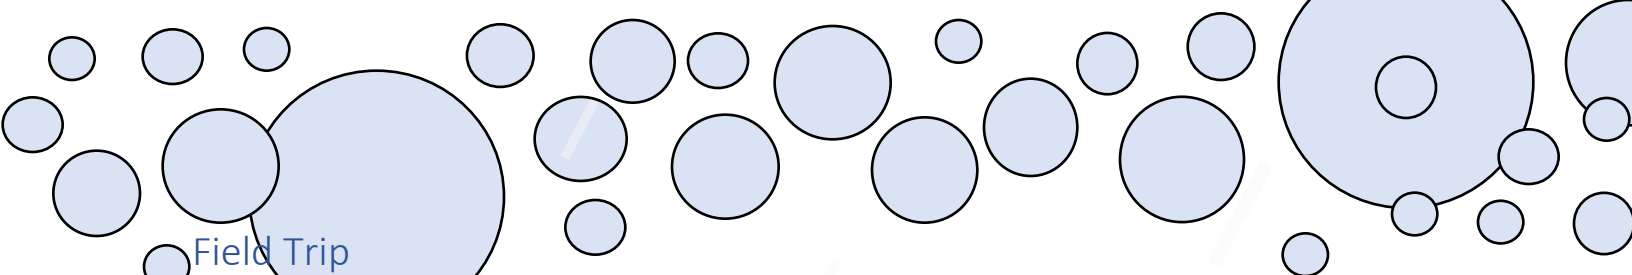

We have another friend moving on from our program. Be sure to wish them well!

We are interviewing for a new friend to join us. Please help us spread the word!

Shoes Indoors

We are now asking that shoes from visitors be taken off at the entrance rug. If you are not comfortable taking shoes off, there will be shoe covers to wear around the house. The goal is to minimize outdoor pollutants within the areas our littlests go. We will start this as soon as our order of shoe covers are delivered and our "Shoe Station" is set up. There will be a trash can for the shoe covers.

"Little Bubble Child Care, because we care about your little bubbles."

Field Trip

We have a field trip scheduled for September 21st to Rolling Acres Farm in Port Republic, MD. We plan to leave after morning snack around 10:00 am. We will depart from the farm at 11:30 am to head back to school.

We will need two chaperones that are willing to transport other children to the farm. Chaperones will have their admission covered by Little Bubble. All families are welcome to tag along, however they are responsible for their own admission. Admission is \$12/person. Children two and under are free.

RSVPs are required by each family regardless if their child is attending or not. If a child is not to participate in the field trip, they should remain home. RSVPs are on our website. Please leave your child's car seat in the parent area if we are transporting your child.

Chaperones are expected to transport children to and from safely. Chaperones are expected to be here before 9:45 am to ensure car seats are installed **appropriately**. Mrs. Elizabeth will check each car seat to ensure they meet the car seat safety standards. Mrs. Elizabeth will also ensure all children are strapped in their car seats before we leave. Once there, chaperones will have a group of children they are responsible for during the field trip. Name tags will be color coordinated to differentiate the groups. After the children are dropped off at school and gathered together with the rest of the group, chaperones are permitted to leave.

Should inclement weather happen, we will cancel the field trip.

Infants and Toddlers Renewal

We are required to provide the Infants and Toddlers brochure each year. If your child is three years or younger, please take a brochure and sign the acknowledgement form. This is a requirement.

Eco-Healthy Child Care

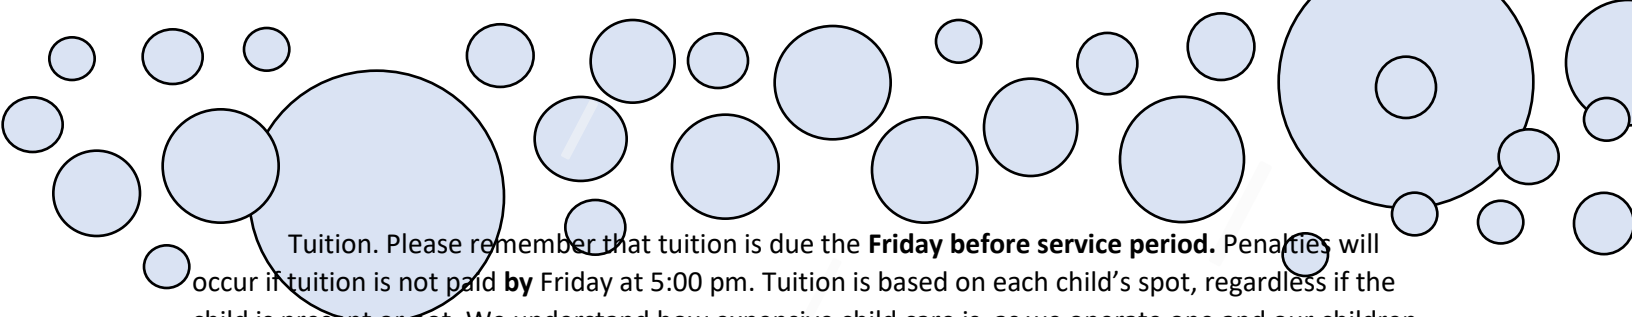

We are now endorsed as an Eco-Healthy Child Care program! This means we are recognized by the Children's Environmental Health Network for creating and maintaining a healthy environment from harmful chemicals. You can be assured that we take every precaution to limit harmful chemicals in children's play and art materials, cleaning, sanitizing, and disinfecting protocols, and our food.

Addressing Policy Issues

We have been noticing a few issues regarding policy and program disruptions. We want to highlight some of the policies and address disruptions that may not have been clear. Please remember these policies are to keep our program running smoothly and to prevent provider burn out.

Door security. We strive to provide the best security to keep your littles safe, but we need your help! Unless we are present upstairs, out-going families (on registered pick-up list) should lock the door behind them. A good rule of thumb, if the door was locked upon arrival, the door must be locked upon departure. The code should only be shared with persons on the child's authorized pick-up list. Visitors or one-time pick-up persons are **not** authorized to have our code.

"Little Bubble Child Care, because we care about your little bubbles."

Tuition. Please remember that tuition is due the **Friday before service period**. Penalties will occur if tuition is not paid **by** Friday at 5:00 pm. Tuition is based on each child's spot, regardless if the child is present or not. We understand how expensive child care is, as we operate one and our children cost us the same tuition, but this is non-negotiable. We have always strived to be flexible when we close, but please remember the contract that was agreed upon and the policies within it.

We appreciate everyone's support and cooperation thus far! Please let us know if you have any questions.

Parent Box

There is important information in our Parent Box. This includes extra handbooks, resources for families, newsletters, and community events. Each child/family has a folder labeled with the child's last name. This is where more specific information goes for those families. Please take at least once a week to look through it.

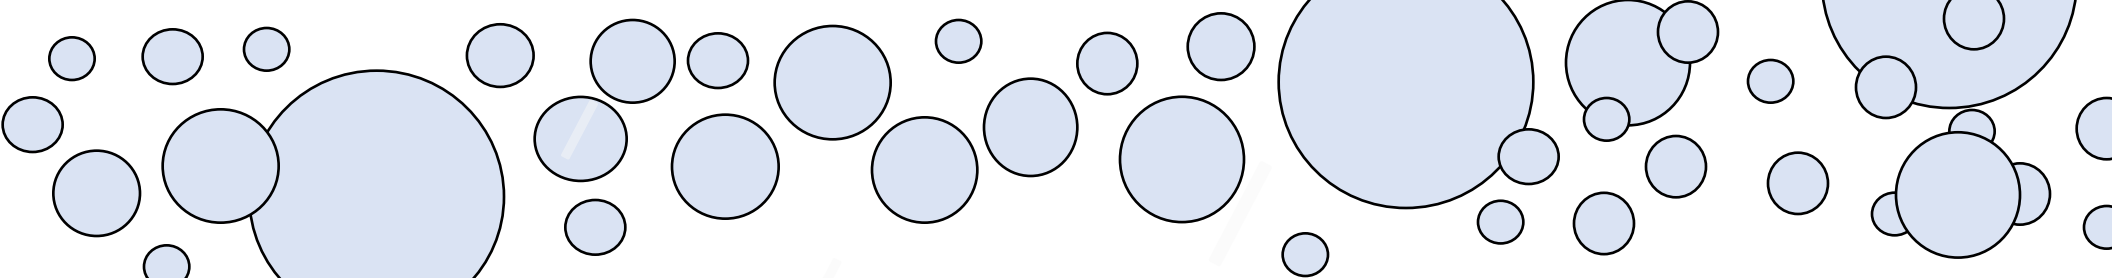

Prayer Requests

If you have any prayer requests, please write them down and hand them to me! The children and I will pray for your prayer requests during our morning Rosary!

Other Information

We would love to celebrate the families birthday and important events! Please let Ms Elizabeth know of each parents' and siblings' birthdays and special occasions like graduations, anniversaries, confirmations, reconciliation, etc!

Please feel free to find and follow us on FaceBook and leave a review! Interacting on our FaceBook page helps to attract new and potential customers. Leaving reviews on Google and FaceBook helps potential families make a very important decision on their child's well-being, success, and education. Interacting and writing a review also makes us feel supported! Thank you!
